

King Edward VI College

Your Sixth Form Specialist

This is a **GOOD** Sixth Form College ...

OFSTED Report Summary 2015

... and well on our way to outstanding

The benchmarks for Sixth Form Colleges are much higher than for FE colleges and schools. Sixth form colleges outperform every other institution and we are pleased to report that even against sixth form college standards, King Edward VI College has been awarded GOOD across every aspect of its provision.

Research shows students at Sixth Form Colleges are more likely to

get top grades than those in school sixth forms.

We are extremely grateful and proud of the way everyone involved in the college, students, parents, staff and governors, are contributing to our success. King Edward VI College is one of only 3 sixth form colleges nationally to achieve GOOD this year (as at May 2015).
