

# King Edward VI College

## The Sixth Form Specialist ...

King Edward VI College welcomes applications from Private Candidates.

There may be some restrictions on what is available to private candidates, but in general any GCE/GCSE/IGCSE qualifications offered by the examination board's AQA, OCR, Edexcel or WJEC will be accepted provided it has written units only.

Unfortunately we are unable to accommodate specifications which include a component that involves coursework, practical, controlled assessment or external moderation.

Once you have decided you want to make an entry you will need to make an appointment with the Exam Officer (Nicola Crisp) – [exams@kinged6nun.ac.uk](mailto:exams@kinged6nun.ac.uk)

You will be required to bring with you; a form of photographic identification (for example passport or driving licence) the exam entry & centre fees, and also any recent previous examination statement of results.

We will require you to complete an application form to provide contact names & addresses, dates of birth and other relevant information for certificates and correspondence.
